

*Embracing childhood, Educating parents and Encouraging togetherness*

## Important Class Information

1. Our classrooms are located in the Harveston Lake House at 29005 Lakehouse Drive in Temecula. Please enter through the main doors, go through the lobby, out the back doors toward the lake, turn left, walk down the path and we are on the left. Messy Play is the first classroom before the restrooms.
2. We would love for your child to be able to share their class with mommy, daddy, grandparents, aunts or uncles however the room does have a limited capacity. If you would like to bring an additional adult to class, please check with us first in regards to space.
3. Our insurance policy and Harveston require us to have each parent sign a liability waiver before attending our classes. Please be aware that we will not be able to have you participate without this waiver.
4. For the safety and enjoyment of all our participants, we ask that the children do not run, rough house, scream or act aggressively towards each other. We understand that all of these behaviors are developmentally normal but they are also disruptive to the group. If your child is having a hard time following these rules, we ask that you remove them from the classroom for a short break. This will ensure we all have a great time.
5. Our sibling policy is that all siblings who attend the class and are over the age of 12 months old must be enrolled in class. We have one exersaucer for the babies to share. During school breaks siblings are welcome to come for a prorated fee if there is space.
6. If you miss a class we will try to accommodate a make up during another class time within the session. Make ups cannot be carried over or used for other children to attend the class. Make ups are based on available space and are not guaranteed.
7. If you don't feel like the class is a good fit for your child, you may request a refund. Requests must be submitted the day or day after your child's first class to allow us time to fill the spot. Refunds will be for the remainder of the session.
8. For Messy Play we will provide your child with art smocks and water table smocks but we still suggest dressing them in "Messy Time" clothes. If you have crocs or other shoes that don't matter it would be good to have your child wear those. Although we don't expect you to get as messy as the kids, we still suggest you also wear 'Messy Time" clothes.
9. Due to limited storage space, we are not able to store your child's artwork. Please take all artwork home with you each day.
10. Memory Journals, a photo collage and a photo CD are available to purchase for \$25 for all three items. Please place your order by week one of the session.

**By signing this form, I acknowledge that I have read the above information and understand all class policies.**
